

BAKBEL | Bakbel produces fine fruit products for the bakery, confectionery and food service industry. Founded originally in Belgium, the company offers a varied range of high quality products that bring your pastries and desserts to life. Bakbel offers delicious, all-natural Marmalades that are bake and freeze-thaw stable, concentrated, all-natural Fruit Compounds for flavoring creams, mousses and sauces, and traditional and Ready-to-Use Glazes that give fruits and desserts a beautiful shine while sealing in freshness.
