

CHRISTIE COOKIE COMPANY | Inspired by a childhood memory of a neighbor’s homemade cookies, Christie Hauck quit his corporate job to master the “perfect cookie” and start his own business. Christie outgrew his apartment kitchen in 1983 and opened a chain of retail stores, which has since expanded to include mail order and wholesale markets. Christie Cookies are made out of the finest ingredients: French chocolate, fresh nuts, real butter, tender raisins and hand measurements, so that nothing is left to chance.
