About Bazzini

Over the past 125 years the name Bazzini has become synonymous with high-quality nuts. Cashews, Almonds, Pecans, Pistachios, Brazil Nuts, Pepitas. The original business, founded in 1886 by Italian immigrant Anthony L. Bazzini sold nuts by the pound to bakers, street vendors and individual customers during the great depression. The legendary nut processing building still stands amid the cobblestone streets of New York City's Tribeca neighborhood. In 2011 with the acquisition of Bartons Confections the company relocation to the 200,000-square-foot state of the art manufacturing facility in Allentown, PA. This allowed the company to position itself for continued growth as well as adhere to the demands of ever-changing food safety laws.
