About Florida's Natural Growers

Florida's Natural Growers was organized in 1933 by a few growers with a passion for producing the best possible citrus products on Earth. Today, we are one of the largest cooperatives of citrus growers. We're 1,000 grower-owners strong. Working 60,000+ acres of fine citrus groves here in the heart of Central Florida. Florida's Natural Brand premium orange juice is made and packaged right here in the U.S.
