About Galbani

Founded in 1882 by Egidio Galbani in the region of Lombardy, Italy. Our commitment to quality has made the Galbani brand a favorite in Italy and around the world. It starts with exceptional ingredients, including high-quality milk from local, family-owned farms. Then our highly skilled cheesemakers use their time-tested expertise to craft many cheeses in the Old World tradition. By building on our past, we are always moving forward.
