

O2 LIVING

Westchester County, NY

At Living Juice we value health and wellness without sacrificing great taste and amazing flavor.

About O2 Living

Rosemary Devlin, mother of 5, opened a holistic wellness center, complete with yoga studio, spa, and vegan cafe. Clean, fresh, healthy eating and living became her focus and passion. From the O2living cafe, Living Juice was born! The cleanest, most pure organic, cold-pressed juice in the world. Free from any added sweeteners, sugars and WATER!
