About Organicgirl

Organicgirl is made up of a small group of women and men in California's fertile Salinas Valley who strive to offer you the very best organic produce. We constantly challenge ourselves to create fresh ideas for great tasting products our consumers will love. In 2007 we created a line of good clean greens made with premium quality and unbelievable taste. In 2013 our passion for greens led us to create a line of fresh dressings that make a true salad love story!
