Passion for Truffles

About Sabatino Tartufi

The passion for truffles, love of their land, hard work and ambition for their family, Sabatino Balestra and his wife Giuseppina founded and developed Sabatino Tartufi in a small Italian town. Hunting for truffles in the woods with the help of dogs, preparation of the truffles following traditional recipes, conserving them simply yet at the same time keeping all their quality, taste and aroma. Over the many years since 1911, the family of Sabatino and Giuseppina has gained vast experience in this difficult and delicate enterprise.
