About Saugatuck Kitchens

Founded in 1998 in Bridgeport, CT by CIA graduates David and Sonia Wells, Saugatuck specializes in frozen hors d'oeuvres that are handmade and delicious. They are created in small batches by chefs, for chefs; starting with the finest and freshest ingredients. Professionally trained cooks with restaurant experience fill and shape each morsel by hand. Unusual combinations like French Onion Soup Boule, Porcini Risotto Balls and Manchego and Quince Tart abound.
