

SIMPLOT

Boise, ID

About Simplot

The J.R. Simplot Company is one of the largest privately held food and agribusiness companies in the nation, though at heart we're as small as a single farmer. We pioneer innovations in plant nutrition and food processing, research new ways to feed animals and sustain ecosystems, and strive to feed a growing global population. At Simplot, we're in the business of Bringing Earth's Resources to Life.
