

PIERLESS FISH

Brooklyn, NY

Guaranteed Fresh, Sustainably Sourced

About Pierless Fish

Pierless Fish, Brooklyn's premier fresh seafood purveyor has proudly supplied New York City's top chefs and restaurants with the highest quality fish and shellfish for over a decade. Founded in 1999 by Long Island native Robert "Bobby" DeMasco, Pierless has from the start focused on local and sustainable products. Pierless sources not only delicacies such as uni and branzino but also industry staples such as wild striped bass, halibut, scallops and Atlantic cod. An investment in the integrity of the fisherman and their catch paired with a culinary reverence for the sea and all its natural resources are what has made Pierless the wholesale industry standard.
