MEET OUR TURKEY FARMERS

JOYCE FARMS – WINSTON, NC

Joyce Farms Heritage Black Turkey is an old breed, one of the first to be developed from Native American stocks. These lush birds are also all natural, raised without being administered antibiotics, growth hormones or steroids and eat a 100% vegetarian diet.

KOCH'S TURKEY FARMS – TAMAQUA, PA

Koch's Turkey Farm is a true family farm that values the traditional standards of their Pennsylvania Dutch Heritage. They are a fully integrated farm with 45 turkey houses, a hatchery, and an all natural feed mill. Their feed contains no synthetic herbicides or pesticides and no animal by-products.

LA BELLE FARM – FERNDALE, NY

La Belle Farm has been raising poultry and game in picturesque Sullivan County since 2000. Their team has traveled the globe, working with the world's top growers and searching for unique flavorful breeds. All of their birds are air-chilled, which gives the meat a more intense flavor profile and no retained water.
